

## **EXCAVATOR DRAM VIBRATOR ROLLER AE DVR 800**

*Designed and developed by Ashwini Enterprise utilizing in-house technology, the Slope compactor AE DVR 800 offers effective solution for compaction applications for canal banking, Dam slope compaction, railway applications and other high slope compaction applications.*

### **DESCRIPTION**

- Excavator Class
- Drum weight
- Drum width
- Drum OD
- Area covered per rev.
- Vibration motor
- Total operating weight
- Amplitude
- Max. Pressure

### **SPECIFICATION**

20-tonne  
625 kg  
1250 mm  
800mm  
32 Sq.Feet/Revolution  
Fixed Displacement  
Gear motor  
1100 kg  
0.42 mm  
120 bar

### **:: FEATURES ::**

- Precisely Engineered Anti Vibration Mounts for vibration.
- Adjustable Scrapper pad for Self cleaning.
